- 1) Bidders shall deliver within 30 calendar days after the date of the order, unless otherwise authorized by the County at the time of a specific purchase.
- 2) Should a bidder fail to deliver in the agreed upon number of days, the County reserves the right to cancel its contract with the bidder on a default basis.
- 3) County employees may be authorized to pick-up products under this contract. Bidders will require written County authorization and proper identification from all County employees picking-up products.

D. The following applies to competitions issued under Groups E and F.

All RFQs must be provided to the Small Business Development Division (SBD) of the Internal Services Department for placement on the Cone of Silence Report upon advertisement. Once an award recommendation is made, SBD must be notified to remove the competition from the report.
- 2) Bid and Local Preferences will be considered when evaluating the offered prices. For RFQs valued up to and including \$100,000, a 10% (ten percent) bid preference shall apply for certified Micro Business Enterprise (Micro) vendors. For awards valued over \$100,000 and up to \$1,000,000, a 10% (ten percent) bid preference shall apply for certified Micro and SBE vendors. For awards valued over \$1,000,000, a 5% (five percent) bid preference shall apply for certified Micro and SBE vendors. Micro Business Enterprises and Small Business Enterprises must be certified, at the time of quote, by Small Business Development under Business Affairs, a division of the Department of Regulatory and Economic Resources (RER) for the type of goods and/or services the enterprise provides in accordance with the applicable commodity code(s) for this solicitation. The resulting Micro/SBE vendors' evaluation prices shall then be compared to the other offers to determine if Best and Final Offers (BAFO's) need be requested in accordance with the Local Preference legislation.
